

Dear Community Member,

PHS GradNite 2024 needs you! We are contacting you because we hope you will consider making a donation to support this year's event: a safe, yet memorable celebration for the Pomperaug High School graduating class of 2024.

To continue this 30-year tradition, PHS GradNite relies on the generous support of our community in the form of donations from businesses and organizations like you, as well as from the parents of the current senior class. ***Please consider making a tax-deductible Sponsor Level contribution in the amount of \$500, \$300, or \$150.*** The sponsorship levels can be found on the reverse side.

We've made it easy to donate online so you can make your donation quickly and effortlessly, please visit <http://bit.ly/gradnitesponsor> to become a sponsor, or look for the Sponsor link at <https://www.phsgradnite.com> All donations, at any amount, are greatly appreciated!

For over two decades PHS GradNite has provided a night filled with activities and food, an evening that literally lasts ALL NIGHT LONG; a night that remains special, fun and safe, while at the same time alcohol and drug free. It is a night for the graduating class to celebrate their accomplishments with their friends and classmates while creating special lifelong memories.

As a community we are all proud of the Region 15 school system and the success stories it generates. The PHS GradNite committee is extremely thankful for community members like you that continue to support our efforts!

We look forward to hearing from you!

Sincerely,

The 2024 PHS GradNite Team

Angela Holland
PHS GradNite Chairperson
